At the Greenhand Conference, I learned so much about the FFA. I learned how the great FFA organization was founded and how it is run. I learned the background and the basics. I was shown how to have a working SAE, and how important it is to know the background on your SAE. Being able to spend this time with my fellow greenhands allowed me to bond with them and get to know them outside the classroom. We ate pizza, and learned important information that helped me grow as a FFA member. The Greenhand Conference showed me how important FFA is and what an honor it is to be a member of FFA.
