Greenon FFA had two parliamentary procedure teams, one being Advanced and the other being Novice. Parliamentary Procedure is made up of conducting a meeting then using a set of abilities during the meeting and taking a written test. The Novice Team was all Freshman, and it was their first time competing. The Senior Team had mostly returning members, even without participating last year. Both teams moved on from sub districts and went to districts. The Novice team placed 5th out of 7 teams at districts and the Advanced team placed 5th out of 8 teams at districts.
