

Fall Ceremony

By: Allie Hundley

Edited by: Sara Jewell

Our chapter does an annual Fall Ceremony which is where Greenhand and Chapter awards are given and committee chairs are installed. We run through all of the opening and closing ceremonies. We provide cookies and water for all who are in attendance. This year was our first Fall Ceremony since Covid it had been two years since our last Fall Ceremony. The reason behind Fall Ceremony is mainly so we can have a separate celebration for those who were rewarded their Greenhand and Chapter degrees or being installed as a committee chair. Also, it makes our end of year banquet, which is where all of the rest of the awards from the year are given, and it takes less time. Below is an image of all who received either their Greenhand or Chapter degree, or was installed as committee chair.
