Our chapter does an annual Fall Ceremony which is where Greenhand and Chapter awards are given and committee chairs are installed. We run through all of the opening and closing ceremonies. We provide cookies and water for all who are in attendance. The reason behind the Fall Ceremony is mainly so we can have a separate celebration for those who were rewarded their Greenhand and Chapter degrees or being installed as a committee chair. Also, it makes our end-of-year banquet, which is where all of the rest of the awards from the year are given, and it takes less time.
